

KIWANIS ONE DAY

Each year, all Kiwanis-family clubs are urged to participate in a day of service. This year, Kiwanis One Day is **April 21**.

It's a global effort, but it's made of personal commitments. It begins with your club's participation. It extends to the impact you have on your community. And it results in an international spirit of service that inspires people worldwide. Don't forget to enter the [Kiwanis One Day contest](#) by **March 15**.

SKIP-A-MEAL

Join the Kiwanis family by skipping just one meal during the last week in April. Send the cost equivalent to that meal to the Kiwanis Foundation in order to help fund numerous programs that directly benefit children through the Kiwanis Children's Fund. Individual and club participation is crucial to continue serving the children of the world.

In small groups, have club members make bright, colorful, fun posters. At a minimum the poster should contain the following information:

- The club's purpose (service, leadership)
- Faculty advisor's name and room number where the meetings are held
- The day, time and frequency of club meetings
- Proposed fun activities including service projects, field trips, fundraisers
- An invitation to students and parents to contact you with questions.

When you're done, hang the handmade posters at your school or club site. (Don't forget to ask for permission first.)
