LEADERSHIP CORNER

District administrators, thank you for your service to the Kiwanis family! As you wrap up the Builders Club year, we celebrate your support for advisors and students in your district.

We also appreciate all you do to help open new Builders Clubs. Remember the resources Kiwanis International provides as you communicate with schools, organizations and Kiwanis clubs:

- Watch one or more 2023-24 webinars available to administrators on the [Builders Club district administrator webpage](#).
- In email communications with school and organizational leaders, include links to the [Start a Builders Club promotional video](#), [Member and Officer Toolkit](#) and [Advisor Toolkit](#).
- Use the ["What is Builders Club" presentation](#) to interest Kiwanis clubs in sponsoring a Builders Club.
- Reach out to the Service Leadership Programs staff at buildersclub@kiwanis.org to schedule a time to talk about the opportunities and challenges for growing new clubs in your district.

THIS YEAR'S AWARD RECIPIENTS

Congratulations to this year's award recipients, including distinguished Builders Club officers, advisors and clubs. In late May, club advisors with honorees will receive digital certificates by email and other recognition items by mail. BUILDERS CLUB JOINS TOY DRIVE

In Highland, Indiana, U.S., local Builders Clubs joined the Highland High School Key Club and other Kiwanis family members for a toy drive — collecting over 700 items for hospitals, churches and more. The Key Club's collaboration with its sponsoring Kiwanis club, along with Builders Clubs and K-Kids clubs, brought more happiness to more children. Read tips from the Key Club's president, Lisa Marie Aumend, for developing Kiwanis family relationships.
